Sir:

Applicants acknowledge receipt of Examiner's Reasons for Allowance. Applicants accept the allowance of the claims, but respectfully submit that the cited reasons for allowance are not the only novel and non-obvious feature(s) disclosed and claimed in the claims of the patent application. Applicants submit that the claims as written speak for themselves and include other novel and non-obvious features, as well as those set forth by the Examiner, which separately, or in combination with features cited by the Examiner, make them patentable and allowable as well.

Respectfully submitted,
